Job Description

Job Title: Motor Trade Paint Preparation Technician

Job Description:

We are seeking a skilled and detail-oriented Paint Preparation Technician to join our team in the Coach and Bus Painting industry. The successful candidate will be responsible for preparing vehicles and components for painting, ensuring a high-quality finish.

Key Responsibilities:

Surface Preparation:

Clean, sand, and mask surfaces to prepare for paint application.

Repair minor dents, scratches, and imperfections using fillers and sanding techniques.

Equipment Handling:

Operate and maintain sanding tools, and other preparation equipment.

Clean and maintain tools and work areas to ensure compliance with health and safety standards.

Quality Control:

Inspect surfaces before and after preparation to ensure high-quality standards.

Address defects and inconsistencies promptly.

Health & Safety Compliance:

Follow safety protocols and use personal protective equipment (PPE).

Ensure proper ventilation and handling of hazardous materials.

Skills and Qualifications:

Experience in vehicle preparation or a similar role in the automotive industry.

Knowledge of sanding, and masking techniques.

Strong attention to detail and commitment to quality.

Ability to work independently and as part of a team.

Physical stamina and ability to perform manual tasks.

Preferred Qualifications:

Previous experience in a body shop or automotive repair center.

Salary: Competitive, €30K-€35K based on experience.

Working Hours: Full-time, with potential for overtime.

How to Apply:

Interested candidates should submit their CV and cover letter outlining relevant experience and skills.
