Computer Numerical Control (CNC) Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Computer Numerical Control (CNC) Operators on behalf of Schivo Medical Limited, Units 1-4 IDA Business Park, Cork Road, Waterford, Ireland, X91 RP79. The ideal candidate will be responsible for running and operating CNC Swiss turning machines, ensuring work is carried out according to work instructions or as directed by the supervisor, and completing tasks within required time limits. Duties include measuring and recording products in line with applicable requirements (IMS or CMM reports), continuously monitoring product quality, addressing any non-conformances, and reporting machine issues to machinists or setters. The role also requires maintaining high housekeeping standards, being proactive on health and safety matters, adhering to cGMP standards, and ensuring all SOPs are followed. The position is 42 hours per week, with a minimum annual salary ranging from €39,421.20 to €48,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
