Job Description

Trinity is Ireland's leading university and is ranked 75th in the world (QS World University Rankings 2026). Founded in 1592, the University is steeped in history with a reputation for excellence in education, research, and innovation, which has been inspiring generations of thinkers for over 400 years.

Post ID: 039563

Post Summary: The School of Medicine seeks to appoint a Demonstrator in Anatomy for 12 months.

The successful candidate will provide teaching to students of anatomy at TCD. The post holder will assist the discipline in curricular development activities including vertical integration, blended learning and exam preparation. Research may also be conducted in one of the areas of expertise of the discipline including human anatomy, immunology, cancer, sports and exercise medicine, medical education, and neuroscience.

Previous experience in cadaveric anatomy is essential. Previous experience in research and undergraduate anatomy teaching and radiology is highly desirable. The post holder must have an excellent command of the English language and good interpersonal, communication, IT and presentation skills.

The post offers an opportunity to expand one's research portfolio and expertise in anatomy to prepare for a career in medicine, industry, or academia.

Post status: 1 Year Fixed-Term Contract

This post is not being offered on a permanent basis as it is designated as a training position. The nature of the role is intended as an opportunity to expand one's research portfolio and expertise in Anatomy to prepare for a career in the Medicine Industry/Academia. As such, the role is not intended

for long-term employment beyond the duration of such training.

Hours of Post: 39 hours per week

Closing Date: 16 November 2026 at 12 noon (Irish Time)

Salary: This appointment will be made on the Demonstrator Merged Scale (€41,586 - €45,128 per annum) at a point in line with current Government pay policy.

How to apply: Candidates should submit:

1. Cover Letter (1x A4 page)
2. A comprehensive curriculum vitae, including a full list of publications
3. The names and contact details (i.e. addresses, e-mail, etc.) of three referees
4. A comprehensive research plan (maximum 2 pages) and a teaching statement (maximum 2 pages)

Please Note:

Applicants who do not submit the above will not be considered at the short list stage

Applications will only be accepted via the Trinity College Dublin Vacancy page. Any applications which are still in progress at the closing time on the specified closing date will be cancelled automatically by the system.

Informal enquiries about this post should be made to Denis Barry, Head of Discipline, at E: debarry@tcd.ie
