Technical Assistant for Planning, Process and Production

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Technical Assistant for Planning, Process and Production

Employer: Macni Limited/Glavey Three Experts

Location: Castlecragdock, Annewtown, Waterford X91 CYN0

Contract: Full-time, Permanent

Hours: 39 hours per week

Salary: €36,605 per annum

Vacancies: 1

Job purpose

To provide technical support in the planning, process management and production of arboricultural works and related services. The role involves the technical planning of interventions, optimisation of operational processes and production of accurate technical documentation to support the efficient and safe delivery of tree care, vegetation management and consultancy services.

Key responsibilities

Prepare and maintain detailed technical work plans, schedules and resource allocations for tree surgery, pruning, felling, stump grinding and vegetation management projects.

Develop and update process documentation, method statements and production workflows to optimise operational efficiency, safety and quality.

Support production planning by analysing project requirements, sequencing of works, equipment and material needs, and capacity constraints.

Produce technical reports, risk assessments and production records related to planned works.

Monitor progress against production plans and recommend process adjustments.

Assist in the coordination of technical inputs between field teams, consultancy functions and operational management.

Maintain accurate technical records of planning and production activities using company systems.

Requirements

Experience in technical planning/process roles within tree care, vegetation management or similar operational environments.

Demonstrable experience in planning, scheduling or process documentation for outdoor/operational projects.

Strong organisational, analytical and documentation skills.

Ability to work with technical data, schedules and safety-related process documentation.

Full driving licence and willingness to travel regionally.

English language proficiency sufficient for technical documentation and coordination.

Remuneration

Competitive salary in line with experience, meeting or exceeding the applicable Minimum Annual Remuneration for a General Employment Permit (currently €36,605).

How to apply

Send CV and covering letter to office@glaveytreeexperts.ie or as directed on the publishing platform.
