Job Description

Aureol Global Connections is hiring for Production Technicians on behalf of Woodfab Timber Limited Tinnakilly Upper, Aughrim, Co. Wicklow, Ireland Y14 H593. The ideal candidate will have experience operating automated production machinery within a sawmill, timber processing, or manufacturing environment. As a Production Technician, you will be responsible for setting up, operating, and monitoring automated timber processing machinery, including log handling systems, resaws, edgers, trimmers, and sorting equipment to ensure efficient production and product quality. The role involves adjusting machine settings, responding to faults, carrying out quality inspections, performing basic mechanical maintenance and troubleshooting, and supporting preventative maintenance activities. You will also undertake light carpentry and timber fabrication work using a range of manual and powered tools, while maintaining high standards of safety, accuracy, and operational performance in a fast-paced manufacturing environment. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€40,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
