HGV Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking 2 experienced and reliable HGV Mechanic to service, maintain, and repair heavy goods vehicles in line with manufacturer specifications, Irish road safety regulations, and company standards.

Key Responsibilities

Diagnose mechanical, electrical, and hydraulic faults in HGVs, trailers, and associated equipment.

Carry out routine maintenance, servicing, and inspections in accordance with RSA (Road Safety Authority) guidelines.

Repair and replace faulty parts, including engines, transmissions, brakes, steering, suspension, and exhaust systems.

Use diagnostic equipment to identify vehicle faults accurately.

Prepare vehicles for CVRT (Commercial Vehicle Roadworthiness Test) and ensure compliance with Irish road safety legislation.

Maintain accurate service and repair records.

Work with manufacturers' manuals and technical data.

Follow company health, safety, and environmental policies.

Assist in breakdown recovery and roadside repairs when required.

Keep workshop tools and equipment in safe working order.

Skills & Requirements

Minimum 2 years' experience working with heavy goods vehicles.

Strong knowledge of mechanical, hydraulic, pneumatic, and electrical systems.

Ability to use modern diagnostic tools and software.

Understanding of CVRT and Irish transport safety regulations.

Strong problem-solving skills and attention to detail.

Remuneration for this role is €36,605.00 per year based on 39 hours per week.

If you think this role is for you, please forward your CV and we will contact you if you are selected for the role.

• **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles
