Experienced Grounds Maintenance Operative

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About the job

We are looking for a hardworking, reliable and practical person to join us in carrying out garden maintenance and lawn care throughout Mid-Kerry and Killarney.

This is a hands-on, outdoor role for someone who enjoys physical work, takes pride in doing a good job and is comfortable working in changeable Irish weather.

Some previous gardening or grounds maintenance experience is essential, but we are happy to train the right person who has a positive attitude, is willing to learn and takes their responsibilities seriously.

You will work at different properties throughout the area, helping to maintain gardens and outdoor spaces to a high standard.

Main duties;

Lawn mowing, strimming and general lawn care.

Hedge trimming, pruning and weeding.

General garden maintenance and seasonal work.

Safe use and care of gardening machinery.

Keeping gardens and work areas tidy.

Working efficiently and taking pride in the quality of your work.

The person we're looking for

The ideal candidate will be:

Reliable, punctual and hardworking.

Experienced in basic gardening, lawn care or similar outdoor work.

Physically fit and comfortable with practical, outdoor work.

Happy to work in rain, cold and changeable weather when conditions are safe.

Willing to learn new skills and operate machinery safely.

Attentive to detail and committed to doing a good job.

Able to work well with others and follow instructions.

A full driving licence is an advantage.

Working hours and weather;

This is a full-time position, with a typical working week of approximately 39 hours, depending on workload and weather conditions.

Hours may vary from week to week, and working hours may reduce during the winter months when weather conditions are unpredictable.

We work outdoors throughout the year where conditions allow. However, we do not work during storms or flooding, and work may be postponed when conditions are unsafe.

Flexibility and an understanding of the seasonal nature of gardening work are important.

Travel and equipment;

Work takes place at different locations throughout Mid-Kerry and Killarney. We meet at an agreed base and travel to the day's jobs together.

All main gardening machinery and equipment are supplied by the business. You do not need to purchase or bring your own lawnmower, strimmer, hedge trimmer or other main machinery.

We will explain any requirements for suitable work clothing and footwear before you start.

What we offer;

Full-time outdoor work.

Main gardening machinery and equipment provided.

The opportunity to develop your gardening and grounds maintenance skills.

Hands-on training for the right candidate.

A varied role working at different properties throughout the area.

Pay will be discussed based on experience and suitability for the role.

How to apply

Please send us your CV and a short description of your gardening, grounds maintenance or other practical outdoor work experience.

We are looking for someone dependable who takes pride in their work.
