Floor Layers

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Floor layers install floors made of solid wood or place prefabricated tiles to serve as floor covering. They prepare the surface, cut parquet or board elements to size and lay them in a predetermined pattern.

Job Description & Skills Required:

- Assist in measuring, cutting, and assembling wood and other materials.
- Support the installation of flooring.
- Operate basic hand tools and power tools safely and effectively.
- Help maintain clean and organized work areas on sites. Load, unload, and transport materials and equipment.
- Follow technical drawings, instructions, and supervisor guidance. Assist with repairs and maintenance of wooden floors.
- Comply with health and safety regulations at all times.
- Participate in on-the-job training to improve floor layering skills and knowledge.

Requirements:

- Strong organisational and time-management skills.
- Good verbal and written communication abilities.
- Willingness to learn, take direction, and develop new skills.
- Team-oriented mindset with a positive, proactive attitude.
- Physical ability to lift materials and work on your feet.
- Candidates with some practical experience in floor laying will be at an advantage; however a full training will be provided.
- A basic understanding of flooring materials, tools is desirable but not essential.
- Entry-Level Candidate
