Healthcare Assistant

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The Healthcare Assistant provides safe, person-centred care and support to children and young people with autism, down syndrome and/or intellectual disabilities attending a respite service, working under the direction of the service's management team and Person in Charge. The role involves direct personal care, including feeding, toileting, hygiene, dressing and mobility support, as well as supporting children with daily living activities, routines and structured play in line with each child's individual care plan. The post-holder supports the children's communication needs, using visual supports and positive behaviour support strategies, and monitors their health, wellbeing and behaviour, reporting any changes or concerns promptly to the team leader or management. Where trained and authorised, the Healthcare Assistant assists with medication in accordance with local policy. They maintain accurate daily records and care documentation, and follow all safeguarding, infection control, manual handling, and health and safety procedures. The role also includes supporting children during outings and community activities, maintaining a safe and stimulating environment, and liaising with parents/guardians and the multidisciplinary team. The Healthcare Assistant attends ongoing training and supervision to maintain and develop their skills and knowledge
