Job Description

Anthony Brennan is currently recruiting a general farm operative for his dairying operation. This is a permanent position, seeking an all -rounder comfortable with irregular working hours, performing yard duties and working in the milking parlour. Salary €34,000 accommodation available if required.

The successful candidate will work as part of the farm team and assist with the day to day running of the dairy farm ensuring a high standard of animal welfare, cleanliness and farm management is maintained.

Duties will include, assisting with the daily milking of the dairy herd, feeding and caring for dairy cows and calves.

Monitor the health and welfare of animals and reporting any concerns. Cleaning and maintaining milking facilities. Moving livestock around safely around the farm and assisting with general farm maintenance and upkeep.

Maintaining high standards of cleanliness, hygiene and animal welfare, following all farm health and safety procedures.

Previous experience working on a dairy farm or in a similar agricultural role is desirable. A genuine interest in dairy farming and animal welfare. Ability to work independently and as part of a team. Reliable, responsible and willing to work flexible hours in accordance with the requirements of a dairy farm. Ability to undertake physically demanding farm work. Experience operating farm machinery would also be an advantage.
