Concrete Pump Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Doyle Concrete Ltd,
Carrickmerlin, Hugginstown,
Co. Kilkenny, R95 KD30

Salary: €36,605 per annum

Full-Time Permanent | 39 hours per week

position: 1

We are seeking an experienced Concrete Pump Operator to join our team. Your primary responsibilities will include operating and maintaining our concrete pump machinery to safely and accurately place concrete at customer locations. You will carry out pre-operation checks on the pump and vehicle before each shift, ensuring all equipment is in good working order and reporting any mechanical issues promptly. You will position and set up the pump unit safely on site, extend and manoeuvre the boom to place concrete exactly where required, and monitor the pumping process to ensure a consistent and continuous flow of material. You will also clean and inspect the pump and all related equipment at the end of each working day, and maintain accurate daily usage and maintenance records.

Candidates must have previous experience operating concrete pumping equipment, and a strong focus on health and safety at all times. You should be reliable, able to work independently, and have good communication skills when dealing with customers and site personnel. We offer a permanent full-time position, competitive salary, and regular working hours.
