Floor Tiler

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Kilsaran Precast Ltd requires multiple Floor Tiler roles for their premises at Deerpark Industrial Estate, Oranmore, Galway, H91 X004.

The salary offered is €36,605 (18.05/hr) based on a 39-hour week.

Salary will increase proportionately if additional hours are required.

Salary offered shall be based on relevant experience and qualifications.

Job Description - Kilsaran Precast is seeking a skilled and reliable Floor Tiler to prepare surfaces, measure and cut tiles, and install floor tiling materials in accordance with project specifications and industry standards. The role requires attention to detail, strong craftsmanship, and commitment to health and safety.

Measure floor areas and calculate required materials. Prepare floor surfaces by cleaning and levelling them and applying appropriate underlays or adhesives. Cut, shape, and fit tiles using hand and power tools. Mix and apply adhesives, grouts, and sealants. Lay tiles accurately in line with alignment and design specifications. Repair or replace damaged flooring as required, inspect completed work for quality, and maintain tools and equipment in safe, serviceable condition. Follow company health, safety, and environmental policies and work collaboratively with site managers, contractors, and other trades.

KEY REQUIREMENTS

Required Qualifications - Proven experience as a Floor Tiler or in a similar role in the construction industry. Strong knowledge of tiling materials, adhesives, grouts, and installation techniques. Ability to read and interpret drawings, plans, and specifications. Excellent measuring and calculation skills, attention to detail, and commitment to quality workmanship. Valid Safe Pass and Manual Handling certification are preferred.
