Job Description

Job Title: Carpenter

Employer: KadroBuild Timber Limited

Location: Coachford Business Park, Coachford, Macroom, Co. Cork, P12 EA37

Salary: €36,605 p.a.

Hours: 39 hours per week

Key Responsibilities:

- Measure, mark, cut and shape timber and other construction materials according to technical drawings and specifications.
- Assemble, install and repair timber structures, frameworks, roof components, wall panels, floors and related construction elements.
- Construct and fit timber frame components ensuring structural integrity and compliance with quality standards.
- Install doors, frames, partitions, cladding and other wooden fixtures as required.
- Operate and maintain hand tools, power tools and woodworking equipment safely and efficiently.
- Inspect completed work to ensure accuracy, quality and compliance with construction requirements.
- Follow all health and safety procedures and maintain a clean and organised work environment.
- Collaborate with supervisors, site teams and production personnel to complete projects efficiently.

Requirements

- A genuine interest in carpentry, joinery, and timber construction.
- Previous experience in a construction, carpentry, manufacturing, or woodworking environment is desirable but not essential, as training will be provided.

- Hard-working, motivated, flexible, and able to work well in a busy environment.
- Ability to communicate in the English language.
- Good attention to detail and willingness to learn new skills.
- Commitment to health and safety standards.

- **Sector:** construction
