Job Description

Auto Electricians Required for Cargo Power Logistics Ltd t/a CPLL. Company Address: Galvone Business Park, Unit 4b Galvone Rd, Clonlong, Limerick, V94 X657.

The successful candidates will be responsible for diagnosing, repairing and maintaining electrical and electronic systems on commercial vehicles and heavy goods vehicles (HGVs), including fault-finding using diagnostic equipment, repair and replacement of wiring, ECUs, sensors, alternators and lighting systems, and carrying out routine inspections and preventative maintenance. Applicants must hold a recognised trade certificate in Auto Electrical Technology or equivalent and have a minimum of three years' relevant experience, preferably working on commercial vehicles. A good level of written and spoken English is required. This is a full-time position. Salary range: €36,605 - €44,000 per annum based on working a 39 hour week. If interested candidates should send their CV to: info@cpll.ie
