Shuttering Carpenter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Clive Guing Farm Construction is seeking an experienced Shuttering Carpenter for its site in Kildare Town, Co. Kildare.

The successful candidate will be responsible for constructing, assembling, installing and dismantling temporary formwork structures used for pouring concrete foundations, beams, columns, slabs, walls and other structural elements.

The role requires practical carpentry skills, the ability to interpret construction drawings and measurements, knowledge of concrete formwork systems, and a commitment to construction site safety and quality standards.

Key Duties and Responsibilities

Read and interpret construction drawings, structural plans, measurements and specifications to determine formwork requirements.

Measure, mark, cut and prepare timber, plywood and other formwork materials in accordance with project specifications.

Construct and assemble shuttering and formwork for concrete foundations, footings, columns, beams, walls, floors and slabs.

Install, position, align and secure formwork to ensure the required dimensions, levels and structural shape are achieved.

Fit and secure formwork supports, braces, ties and other temporary structural components to maintain stability during concrete pouring.

Check formwork dimensions, alignment, levels and joints before concrete is poured to minimize leakage and ensure the required finish.

Work alongside concrete workers, steel fixers, site operatives and other construction personnel to coordinate preparation for concrete placement.

Required Skills and Experience

Minimum of 2 years' experience in a similar role essential

Practical knowledge of timber and plywood formwork systems.

Ability to read construction drawings and work accurately from measurements.

Experience assembling, supporting and dismantling formwork for concrete structures.

Ability to work independently and as part of a construction team.

Good attention to detail, reliability and a commitment to quality workmanship.

Remuneration ranges between €36,605 - €45,000 per annum based on experience. Standard working hours is 39 hours per week.

If you feel you have the relevant experience please apply in confidence with your CV to adriana@potentialresources.com
