Mechanical Engineer, Dublin - Full Time

Engineer a brighter future.

About the role

At Sodexo we are passionate about the services we deliver; our facilities management professionals are at the heart of everything that we do.

We are looking to recruit an experienced Mechanical Engineer to join our busy team!

We are looking for someone who has a strong mechanical background with proven experience in a similar role and be able to identify unsafe situations whilst ensuring your own and others safety.

You will be responsible for delivering a high-quality professional service, undertaking maintenance and reactive activity to a wide range of Mechanical Building Services equipment, complete risk assessments for maintenance tasks and work safely always both inside and outside of operating hours.

Sodexo reserves the right to close this advert early if we are in receipt of a high number of applications.

We also offer a range of perks, rewards and benefits for our colleagues and their families:

Unlimited access to an online platform offering wellbeing support

An extensive Employee Assistance Programme to help with everyday issues or life's larger problems, including legal and financial advice, support with work or personal issues impacting your wellbeing

Access to a 24hr virtual GP Service

Sodexo Discounts Scheme, offering great deals 24/7 across popular high street retailers (also open to friends and family)

Save for your future by becoming a member of the Pension Plan

Opportunities to enable colleagues to grow and succeed throughout their career at Sodexo, including a variety of learning and development tools

Bike to Work Scheme to help colleagues to do their bit for the environment whilst keeping fit

Sodexo UK and Irelands enhanced benefits and leave policies
