Welder Fabricator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Welder Fabricators on behalf of Daniel Whelan Engineering Works Limited, New Road, Borris Co Carlow, R95 XN56. The ideal candidate will have experience in metal fabrication and welding, with the ability to read engineering drawings and technical specifications. Duties include fabricating, assembling and welding metal components, operating hand tools, power tools and fabrication machinery, and carrying out work to high quality standards. The role involves liaising with the design team and workshop fabricators, interpreting measurements and specifications, and ensuring all work is completed safely and efficiently. Experience with MIG or ARC welding is desirable, along with a relevant trade qualification or apprenticeship. This is a full time role of 39 hours per week and an annual salary of €36,605 - €40000. Interested applicants please send your CV to info@aureolglobalconnections.com
