Job Description

Pay: €36,605.00 per year

Daniels Family Farms are looking for a reliable, self-motivated, and enthusiastic Dairy Farm Assistant to join our team at our farm located in Passage East, Co. Waterford.

The successful candidate will become an important part of the day-to-day farm team and will be involved in all aspects of dairy farming and livestock care.

Key Responsibilities

Your duties will include, but are not limited to:

Assisting with morning and evening milking

Preparing cows and maintaining high standards of milking hygiene

Feeding cows, calves and young stock

Monitoring animals for signs of illness, injury or unusual behaviour

Calf rearing, including feeding, bedding and general care

Assisting with calving and caring for newborn calves

Cleaning and maintaining milking parlours, sheds and feeding areas

Moving and handling cattle safely

Checking water supplies, feed and bedding

Cleaning and maintaining farm equipment

Carrying out general farm maintenance

Fencing, paddock maintenance and grassland work

Assisting with machinery and tractor work where appropriate

Maintaining clean and safe working areas

Recording livestock information and completing routine farm tasks

Following farm health and safety procedures

Following animal-welfare and biosecurity standards

Carrying out other general duties required for the efficient running of the farm.

We are looking for someone who is:

Hardworking, dependable and responsible

Comfortable working outdoors in all weather conditions

Confident and calm around cattle

Passionate about animal welfare

Reliable and punctual

Able to work independently and as part of a team

Willing to learn and take instruction

Physically fit and capable of carrying out practical farm work

Organised and able to complete tasks to a high standard

Safety-conscious when working around livestock and machinery.

Previous experience on a dairy farm is essential including milking cows and general animal husbandry.

Training and guidance will be provided where required.

Working Hours

This is a full-time position (39 hours a week) and will involve morning and evening farm work, including weekends and some public holidays as part of the normal farm rota.

Typical duties may involve early morning starts, evening milking and additional work during busy periods such as calving.

A flexible attitude towards working hours is therefore essential.
