## Computer Numerical Control (CNC) Operator

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Aureol Global Connections is hiring for Computer Numerical Control (CNC) Operators on behalf of Ballybeg Engineering Limited of Ballybeg, Ferns, Enniscorthy, Co. Wexford Y21 H6P4. The ideal candidate will have the ability to read and interpret engineering and AutoCAD drawings, setting up and operating CNC machinery including laser cutting machines and CNC brake presses to produce high-quality components. The role involves following detailed specifications, ensuring accuracy throughout the manufacturing process, and assisting with the organisation and scheduling of jobs to meet production deadlines. Full training will be provided on company-specific machinery and processes. This position would suit a motivated individual with attention to detail, a willingness to take responsibility, and a proactive approach to learning and teamwork. This is a full-time role of 39.5 hours per week with an annual salary range of €37,074.70-€40,000. Interested applicants should send their CV to [info@aureolglobalconnections.com](mailto:info@aureolglobalconnections.com).

- **Sector:** other service activities

### Career Level

- Experienced [Non-Managerial]
